**Subject:** EPS81302, TO# 77, GKM, Notice to Proceed

Joan,

So, there are two notices to choose from. The first is my notice to the prime contractor in which I consent to the subcontract. The second is the prime contractor notifying the subcontractor to proceed with the water plant. My notice has not yet been redacted. The notice from the prime has been redacted for CBI and PII by the prime. Please coordinate any release of these documents with legal or FOIA as I am not an expert in these matters.
